## Philosophy...

The ultimate goal for all of our sessions is for each participant to learn while having fun! Our coaches will make for an exciting, educational, energized camp that will help each player meet their goals. Whether you are a first year player who is looking to understand the game more and develop basic skills or you are a varsity player who is looking to break every record, we are here to help provide you with the tools necessary to be successful.

## Goal Keepers...

During each session the PPSC also offers elite instruction for goal keepers of all skill levels. Our instructors stay current with all of the proven training methods used by the nations top goal keepers. From youth to varsity goal keeping we have the program that will help you maximize your potential. Goalies will work on specific skills with goal keeper coaches and join the field players and coaches for many games and shooting activities.
